

# 2

## SICO Communicator Table Seating Unit

Easy to open from the folded and locked position.

- 1) Simply press the yellow handle (located at eye level on both sides)...
- 2) which unlocks the latch...
- 3) allowing the torsion bars to assist in lowering the table slowly into the open and set position.

- **Large capacity** 47"x121"(119cmx 307cm) top provides adequate spacing for 12 standard size lunch trays. Increased seating capacity is up to 15% - 20% over separate tables and chairs.

- **Unique Elliptical shape** allows eye-to eye contact between all users, reducing noise levels and promoting quieter interaction.

- **Space Efficiency.** Fewer tables are needed to seat many students, saving cost and space.

- **Twelve attached seats** on a 10' (310cm) table provide generous 23" (58cm) of spacing between each seat (on centre) and plenty of space between student and tabletop.

**WARRANTY**  
15 years with a lifetime warranty on welds

- **Quick clean-up and compact storage**
