SICO Mobile Folding Table Seating Units (TSU's)

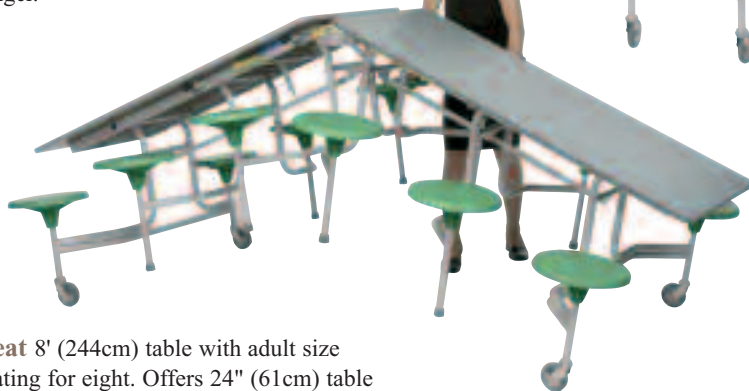

- Tables can pay for themselves in as little as two years.

Savings in staff time alone will pay for the SICO tables in a short time.

- Serve up to 15% to 20% more people than tables and chairs in the same space. Separate chairs and tables require extra aisle space to slide out for entry.

- SICO tables are easier on your floors. Continually sliding chairs damage floors. SICO TSU's rest on non-marking neoprene glides. Floors look nicer longer.
